## WITH MILITARY DISPLAY

DEDICATION OF MONUMENT IN  
ARLINGTON CEMETERYTo Memory of Deceased Members of  
the Rough Riders—Inscrip-  
tion on Monolith.

With an elaborate military display and appropriate exercises the monument erected to the memory of the men of the Rough Riders who served during the war with Spain will be dedicated in Arlington this afternoon. In addition to the regular troops stationed in this vicinity and a part of the National Guard of the District of Columbia, the ceremonies will be participated in by President Roosevelt, who was colonel of the 1st Volunteer Cavalry, or Rough Riders, and many representatives of the diplomatic corps and officers of the army and navy. Rev. D. J. Stafford of St. Patrick's Roman Catholic Church will make the dedication address and the invocation and benediction will be pronounced by Chaplain Bryn, United States army, formerly chaplain of the Rough Riders' Regiment. In addition it is expected that President Roosevelt will deliver an address. A large number of former members of the regiment from out of town have signified their intention of attending.

A trust fund is in charge of a committee whose duty it will be to add the names of all the members to the list of dead chiseled on the shaft until the roster is complete. The monument is the design of Mrs. Capron, widow of Capt. Allyn K. Capron, who fell at Las Guasimas. While not the largest monument in the historic cemetery it is the largest monolith, being fourteen feet high on a base six by six feet, and bears the inscription:

"In Memory of the Deceased Members of the 1st Volunteer Cavalry, Spanish-American War. Erected by Members and Friends of the Regiment."

Spanish War Veterans to Attend. Capt. J. Walter Mitchell, commander of the Department of the District of Columbia, United Spanish War Veterans, has issued an order directing attention to the ceremony of unveiling the Rough Riders' monument in Arlington national cemetery this afternoon at 4:30 o'clock. In the order it is stated that all members of the organization are requested to be present and to rendezvous at the Fort Myer entrance to the cemetery not later than 4 o'clock. It is also stated that members in government employ will be excused at 3 o'clock in the afternoon. Mrs. Lizzie W. Calver, department commander of the Ladies' Auxiliaries of the United Spanish War Veterans, asks all members of the organizations under her direction to be present at the ceremonies.

Among the specially invited guests are: The minister of Denmark, Constantine Brun; the French ambassador, Madame Jusserand; the Russian ambassador, Baron Rosen; the minister of Norway, Mr. C. ## Held for Mental Examination.

With a bag thrown over his back, Harry Fleet, colored, was found on Nicholas avenue yesterday by Policeman Fraser of the 5th precinct. He was arrested. "How long have you been in Washington?" Judge Kimball asked Fleet, when the prisoner was asked before him today on a charge of vagrancy. "I came from the north about a month ago," he replied. "Where, in the north?" "I was up next to Boston and New York and other states," the prisoner replied. "You see I travel a good deal." "I guess you do. Why is it that you are traveling around?" "I travel for my health," Fleet replied, with a toss of the head. "Have this man examined to determine his sanity," the judge ordered.

## Placed Under Probation.

On a charge of stealing a horse and wagon belonging to Samuel C. Breneman, 721 21 street northeast, Walter Stevenson, colored, fifteen years old, was a defendant before Judge DeLoach in the Juvenile Court Wednesday afternoon. In order to allow for an investigation of the boy's home, the matter was continued, and yesterday afternoon the boy was put under the care of Probation Officer Copp for six months. Mr. Breneman was driving along Florida avenue March 30 last, when he saw another of his horses attached to a wagon coming toward him, driven by a colored boy. Mr. Breneman had loaned that horse and wagon to his partner, but regarded the colored boy's possession of it as very suspicious. He stacked up his horse, and as he did so the boy in the other wagon leaped from the seat and made a sprint down the street. Policeman J. A. Sullivan of the tenth precinct was notified and located and arrested the Stevenson boy, who was identified as the youth seen with the horse and wagon.

## Strong Current in the River.

The amount of water which fell during the recent heavy rains and shows in the mountains about the upper waters of the Potomac was shown by the current which began racing down the river yesterday morning. For several hours the flow of

water was strong enough to keep the buoys under water and to interfere very seriously with the movements of the steamers and sailing vessels which had to stem it. Combined with a very low tide, caused by the northwest wind, craft of all kinds were difficult to handle, and steamboat schedules were somewhat upset. The steamer Estelle, which was unable to get into Mattawoman creek to make her landing at Grinders wharf, the water being too low in the creek, and it is stated the down-river steamers also had to run by some of the creek landings. The current ran itself out yesterday afternoon and the tides had returned to normal level this morning, so that little trouble is anticipated by the

steamer masters until the next northwest blow comes.

## Available for Coroner's Juries.

Familiar faces will be missed from coroner's juries at inquests held at the morgue for some time to come, and the change is made by order of the District Commissioners. Under instructions from the Commissioners, the officers in charge of each of the police precincts of the city have furnished Coroner Nevitt with a list of citizens available for service on juries at inquests, and in the future, it is stated,

Morgue Master Schoenberg will endeavor to procure a jury from the precinct in which the case to be investigated occurred. The new condition of affairs went into effect several days ago and of the jury that yesterday investigated the death of Benjamin Allen, it is stated that only one had ever served on a coroner's jury before.

A lost article advertised promptly in The Star will be returned if found by an honest person—most
